### **For Immediate Release**

### **Sewer Construction Paving to Begin**

Chatham – On Monday, November 7<sup>th</sup>, weather permitting, final trench repair (paving) will begin on Route 28 between Sam Ryder Road and George Ryder Road. Sewer construction will continue on Route 28 between Old Queen Anne Road and Barn Hill Road, with the George Ryder Road to Old Queen Anne Road detour.

On Monday, November 7<sup>th</sup> paving will begin at the intersection of Route 28, Sam Ryder Road, and Colonial Drive. Paving in the intersection is expected to take 1 day. During the intersection paving Route 28 thru traffic will be detoured on Route 137 (Meetinghouse Road) to Old Queen Anne Road. Access to Route 28 homes, businesses, and side streets between Sam Ryder Road and Route 137 will access from the Route 137 end. Access to Route 28 homes, businesses, and side streets between Sam Ryder Road and George Ryder Road will access from the George Ryder Road end. The transfer station can be accessed from the Old Queen Anne Road end of Sam Ryder Road. Route 28 will not be accessible from Sam Ryder Road during the intersection paving.

Following completion of the intersection paving the paving work will move east from Sam Ryder Road toward George Ryder Road. The initial paving is expected to be completed by Thursday, November 10<sup>th</sup>. Route 28 thru traffic will be detoured on Sam Ryder Road to Old Queen Anne Road. Access to local homes, businesses, and side streets will be maintained during paving. Paving is expected to proceed rapidly so access to locations between Sam Ryder Road and George Ryder Road will change regularly. There will be extensive signage and Police Detail Officers to assist traffic in reaching their destinations.

The week of November 14<sup>th</sup> the contractor will be raising covers, etc. between Sam Ryder Road and George Ryder Road with Route 28 limited to one lane of alternating traffic in sections. Final paving is expected to take place at the end of the week, weather permitting.

Work will take place Monday to Friday from 7 AM to 7 PM as allowed by the MassDOT Permit. Route 28 will be open to all traffic during the overnight hours, on weekends, and holidays.

We encourage you to visit the sewer construction project web site for updated schedule information at: <http://www.chathamscproject.info/>; and the Town's website for additional

information regarding this and other important projects and events in the Town at:  
<http://www.chatham-ma.gov>.

Thank you for your patience and cooperation during this important project to restore and protect our environment.
