For Immediate Release

CORRECTED Sewer Construction Update – Week of November 28th

Chatham – For the week of November 28th, weather permitting, the following construction activities are expected on Route 28.

On Monday, November 28th, final paving will take place in the intersection of Route 28 and Crowell Road. Police Details will be on-site to keep traffic moving thru the intersection during the paving.

Line striping, miscellaneous paving, and clean-up on the stretch of Route 28 between Sam Ryder Road and George Ryder Road. At times traffic may be limited to one lane of alternating traffic.

Sewer related construction will continue on Route 28 between Old Queen Anne Road and Barn Hill Road, with the George Ryder Road to Old Queen Anne Road detour in affect. There will be extensive signage and Police Detail Officers to assist traffic in reaching their destinations.

Work will take place Monday through Friday from 7 AM to 7 PM as allowed by the MassDOT Permit. Route 28 will be open to all traffic during the overnight hours, on weekends, and holidays.

We encourage you to visit the sewer construction project web site for updated schedule information at: <http://www.chathamscproject.info/>; and the Town's website for additional information regarding this and other important projects and events in the Town at: <http://www.chatham-ma.gov>.

Thank you for your patience and cooperation during this important project to restore and protect our environment.
