PRESS RELEASE

The Town of Chatham invites you to attend an informational meeting regarding the sewer construction project that will be continuing on Route 28/ Main Street. Business Owners and Residents are encouraged to attend one of two informational meetings scheduled for:

- Tuesday July 27, 2010 from 8 am to 10 am
- Wednesday July 28, 2010 from 7 pm to 9 pm

Both meetings will be held at the Community Center in the large meeting room. Information on the proposed work scheduled for this September through the remainder of the project will be discussed. A PowerPoint presentation and posters showing the work areas and tentative schedule will be available for viewing.

These meetings are part of the Town's continuing efforts to minimize construction-related disruptions to the community. The purpose of the meetings is to:

- Inform business owners and residents of expected work and impacts,
- Have an open discussion regarding the schedule for upcoming work,
- Provide a forum for the Town and public to work together to minimize impacts to the public, the town, and the construction activities.

After the presentation, the floor will be opened for discussion and public comment. The Town wants to give as many people as possible the opportunity to comment on the schedule and therefore requests that attendees allow their neighbors to provide comments. The Town welcomes additional comments in writing, particularly if there is a large attendance and time becomes an issue, comments can be directed to Jeff Colby, DPW Superintendent, at his email address: jcolby@chatham-ma.gov.

The improvements to the Town's infrastructure will result in some level of inconvenience to neighbors along the route. The Town appreciates your patience during construction.

We encourage you to visit the sewer construction project web site for updated schedule information at:

<http://www.chathamscproject.info/>;

and the Town's website for additional information regarding this and other important projects and events in the Town at:

<http://www.chatham-ma.gov>

for additional information regarding this and other important projects and events in the Town.

The Town will soon host a separate meeting to discuss the work that will be going on in the Barn Hill Road area and those interested are encouraged to attend. The Town anticipates that similar meetings will be held in the winters and summers preceding subsequent construction periods.
